

MAGIC[®] and WONDER[®] for your Holidays

EXPERIENCE THE HOLIDAYS WITH DISNEY CRUISE LINE.[®]

Give a gift that's both nautical and nice. No one brings the spirit of the season to the seas like *Disney Cruise Line*[®]! Each Disney ship celebrates with enough holiday cheer and sparkle to make your family feel right at home while onboard.

During the Holiday season, the main lobby boasts a nearly three-deck tall tree, with beautiful decorations and a tree-lighting ceremony. You'll also hear carols sung by crew members, enjoy holiday storytellers, see Santa and his elves and find festive decor throughout.

Families can take part in holiday crafts such as decorating stockings, building gingerbread houses and creating holiday animation cells. And of course, scrumptious holiday feasts are served in every dining room.

Looking to welcome the new year maritime style? Amid the turquoise waters of the Caribbean, enjoy the only fireworks at sea and ring in 2011 with a special New Year's Eve party, complete with DJ, sparkling wine in commemorative flutes and a midnight countdown with confetti and balloon drop.

Dreaming of a white, sandy Christmas? The holiday events extend to Disney's private island, *Castaway Cay* which is transformed into a magical wonderland and "snowy" hideaway with "snow flurries," decked-out Christmas trees, Disney character meet-and-greets, holiday carolers and holiday-themed activities for children.

The *Disney Cruise Line*[®] tradition of quality entertainment with a wealth of activities will keep the entire family entertained and delighted this holiday season, while creating quality time and making magical memories together.
